**Jolie E. Meer** joined Rosenberg & Estis, P.C. in 2007 and is a Member with the firm's Transactional Department. Meer is Co-Chair of the Leasing Sub-Group. Her practice concentrates on commercial real estate law, with an emphasis on commercial leasing, acquisitions and dispositions and financings.

Many of R&E's top transactional clients consistently request Meer to work on their most complex commercial real estate matters. She has demonstrated a keen ability to handle a range of challenging and even atypical projects. Recent examples testify to her special skills - Meer worked on an office lease where the tenant was not only utilizing the space for office purposes but also as a broadcasting facility and had the use of an outdoor terrace. She also represented a landlord in a large residential building with ground floor retail space being utilized as a nursery school. When it comes to bringing tough deals to fruition, R&E looks to Meer to think outside of the box, which she has done for over a decade.
