Real Estate Weekly LEADING LADIES 2018

**DEBORAH RIEGEL
ROSENBERG & ESTIS**

Deborah Riegel joined Rosenberg & Estis, P.C. in 1994 and became a member in 2000.

Riegel has become one of R&E's most experienced trial lawyers. Her in-depth experiences in the real estate industry have taught her the need to recognize the real world value of a case to a client, and that negotiation and compromise are often the most valuable skills in litigation.

Also, her networking and ability to work with transactional lawyers allows her clients a one-stop, integrated approach to managing clients' legal needs with an eye toward risk management and early dispute resolution.
